

IN HONOR OF THE USS "DE WERT"
UPON ITS DECOMMISSIONING ON
APRIL 4, 2014

HON. ANDER CRENSHAW

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 26, 2014

Mr. CRENSHAW. Mr. Speaker, I rise today to pay tribute to the fine Sailors who have served on the USS *De Wert* (FFG 45). On April 4, 2014, this superb warship will be decommissioned in Mayport, Florida.

The ship and her crew have served tirelessly to ensure that America retains its status as the strongest naval power in the world. The Ship is named for Richard De Wert, a Hospitalman who was killed in action while aiding an injured comrade during his service in the marines. Hospitalman De Wert was awarded the Medal of Honor for this amazingly selfless act. Following in the footsteps of this great man, the USS *De Wert* has served our Nation fearlessly for over 30 years.

I am so honored to be able to represent these great men and women who serve in 4th District of Florida and it is a privilege to commend them upon their completion of the mission of the USS *De Wert*. Their hard work illustrates the importance of the First Coast to national defense. While the ship may be decommissioned, I know that the ship's motto of "Daring, Dauntless, Defiant" will remain a guiding force for these Sailors wherever their lives may lead.

The Sailors of the USS *De Wert* can stand tall in the knowledge that their hard work and dedication has contributed to the most important missions of our nation's defense and we are grateful for their tireless efforts and sacrifice.

CELEBRATING MR. RICHARD YOUNG

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 26, 2014

Mr. HUFFMAN. Mr. Speaker, it is my pleasure to recognize Mr. Richard Young on his recent retirement from the Crescent City Harbor District. Mr. Young's dedication to the Crescent City Harbor District has never been shaken even as he worked to restore the harbor after repeated disasters.

Mr. Young earned a Ph.D. in economics at the University of California, Santa Barbara and went on to teach in the Naval Postgraduate School. He then worked as a commercial fisherman, owning the vessels *City of Eureka* and *Willola*.

Mr. Young was hired as harbormaster at the Crescent City Harbor District in March 2004. He became known for building relationships with members of the harbor community and with regulatory agencies.

Following the tsunami of 2006, the winter storms of 2008 and a major tsunami that crippled the harbor in 2011, Mr. Young led the district through massive repairs to rebuild the city's vital harbor. This \$54 million effort led to the West Coast's first tsunami-resistant harbor—designed to withstand a 50-year tsunami event. The harbor's design also includes

amenities that residents of California will enjoy for years to come.

Please join me in expressing deep appreciation to Mr. Richard Young for his long and impressive career, and his exceptional record of service.

REMEMBERING MARGARET E. PEACE

HON. TIM RYAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 26, 2014

Mr. RYAN of Ohio. Mr. Speaker, I rise today to acknowledge the life of Margaret E. Peace, of Newton Falls, Ohio, who passed on February 13, 2014. Margaret was born on March 13, 1921 in Greenwood, South Carolina, to Clarence and Lillian McCuen Elledge. On December 5, 1938 she married the love of her life Mr. James Peace and the two were happily married for 74 years before James' tragic passing in June of 2013.

While living in South Carolina, Margaret worked in a cotton mill. Upon moving to Newton Falls, Ohio she began working as a waitress at the Superquick restaurant, and soon became an active member of the Newton Falls First Church of God. Throughout her sixty years of attendance, she was heavily active with singing in the choir, serving as Sunday School teacher, serving as an assistant with the Brownie and Girl Scout groups, sitting member on the church council, an active member on the Women's Missionary Society Board, and she also diligently served as the nursing director for over 45 years.

Not only did Margaret touch the lives of those in the church community, she was incredibly loved by her extensive network of family and friends. She collected hundreds of cookbooks over the course of her life, loved reading her Bible, and found happiness in her flower garden.

Margaret has joined her loving parents, Clarence and Lillian, her tender husband James, her son Freddie, her sister Martha and brother Bill. She will be missed by a countless number of people in the community, and most of all by her two sons, James and Eddie Peace, her daughter Linda Hospodor, her daughter-in-law Kay Peace, and her brother Frank Elledge. Margaret will also be fondly remembered by numerous grandchildren, great-grandchildren, and great-great-grandchildren.

Margaret was an extraordinary woman, and she will live on in the hearts and minds of those she has touched. It was an honor to work with her in my district, and I will never forget her boundless kindness and enduring commitment to her community.

PERSONAL EXPLANATION

HON. MAC THORNBERRY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 26, 2014

Mr. THORNBERRY. Mr. Speaker, on Monday, March 24, I was unable to be present for two rollcall votes while attending to personal matters in Texas. Had I been present, I would have voted "yea" on Nos. 136 and 137.

RECOGNIZING JOSEPH CARUBBA
AS HE RECEIVES THE ANTHONY
M. CASTIGLIA ACHIEVEMENT
AWARD

HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 26, 2014

Mr. HIGGINS. Mr. Speaker, I rise today to recognize and congratulate Joseph Carubba, the President and Chief Executive Officer of Carubba Collision, as he receives the prestigious Anthony M. Castiglia Achievement Award from the Italian American Leadership Council of Western New York. As we come together in celebration of St. Joseph's Day, we also celebrate the remarkable contributions Joe has made to our region, through his esteemed business and generous philanthropic efforts.

Joe began his career in the automobile industry in the 1970s, as a part-time employee at his father Anthony Carubba's company. Still a high school student at Williamsville North, Joe learned how to clean cars and sweep floors under his father's tutelage.

After completing his education at Oklahoma A&M and Syracuse University, Joe joined his father's company full-time in 1981. In 1990, Joe's father passed away, and Joe was given the full responsibility of managing the business. At that time, Carubba Collision was a small shop of 5,500 square feet with only 12 employees. Under Joe's direction, Carubba expanded to four offices, a dealer satellite office, and six production facilities, occupying almost 80,000 square feet. The company now employs 130 people and has increased its profitability to 20 times that of its numbers in the 1980s.

Today, Carubba Collision is widely known for its commitment to excellence and customer service. Autochex has awarded Carubba its "Best in Service" award a total of five times, and in 2013, Body Shop Business magazine named Joe Carubba their "Executive of the Year."

The company's dedication to its customers mirrors Joe's commendable civic involvement. He has served on the Board of Directors for the Better Business Bureau, the YMCA Leadership Club, and the Alliance of Automotive Service Providers, among others. Joe has generously supported countless organizations, including the Make A Wish Foundation, Cradle Beach, Roswell Park Cancer Institute, Women & Children's Hospital, the Parkinson's Foundation, SUNY at Buffalo, Mercy Flight, the Food Bank of Western New York, and the Buffalo Niagara Victory Scholarship Awards. Perhaps most famously, Carubba Collision has partnered with the Buffalo Sabres to create the Carubba Collision of the Game, a beloved institution among Sabres fans.

A proud family man who grew up in a close-knit Italian-American family, Joe enjoys spending his spare time with his daughters Jackie and Andrea, and his three grandchildren.

Mr. Speaker, it is with great pride that I recognize Joe Carubba, a civic-minded business owner who exemplifies the American values of hard work and good will. Joe built a business both by and for the local community, and in doing so, turned what was once a small body shop into one of the region's leaders in automobile repair. I congratulate him as he receives the Anthony M. Castiglia Achievement
